1 Overview

1.1 Scope

The objective of this manual is to help end user use the CEIR (Central Equipment Identity Register) application to raise grievances, check device, upload stock anonymously, register device and update visa details. The end user can be either the local Cambodian user or foreigner.

1.2 Acronyms & Abbreviations

Acronym	Full Form
CEIR	Central Equipment Identity Register
ESN	Electronic Serial Number
IMEI	International Mobile Equipment Identity
MEID	Mobile Equipment Identifier
PDA	Personal Digital Assistant
TAC	Type Allocation Code
TRC	Telecommunication Regulator of Cambodia

1.3 Conventions

Information	Convention
UI elements (such as names of windows, buttons, and fields)	Bold
References (such as names of files, sections, paths, and parameters)	<i>Italics</i>

Information	Convention
*	Indicates a mandatory field or column

2 End User Operations

2.1 Application Overview

The CEIR (Central Equipment Identity Register) End User Portal application is used to perform the following tasks:

- Register Device – End user (both foreigner and Cambodian national user) can register the devices in the CEIR system when they bring devices while coming to Cambodia
- Upload stock – A Cambodian user can upload the stock anonymously in case any distributor/retailer does not want to register with the CEIR application
- Raise Grievance – A Cambodian user can raise the grievance in case they are facing any issue with CEIR system
- Check IMEI – End user can use this IMEI using this feature before buying the devices to check the validity of the devices
- Update Visa – End user can update visa details in case the duration of a foreigner user has been extended in Cambodia. This will allow the devices to be used till the visa expiry period.

2.2 Accessing the Application

End user does not need to be logged into the system. The end user can access the CEIR system from DMC portal

To access various features:

1. Enter the CEIR Home Portal URL in the browser address bar. This opens the CEIR Home Portal page.

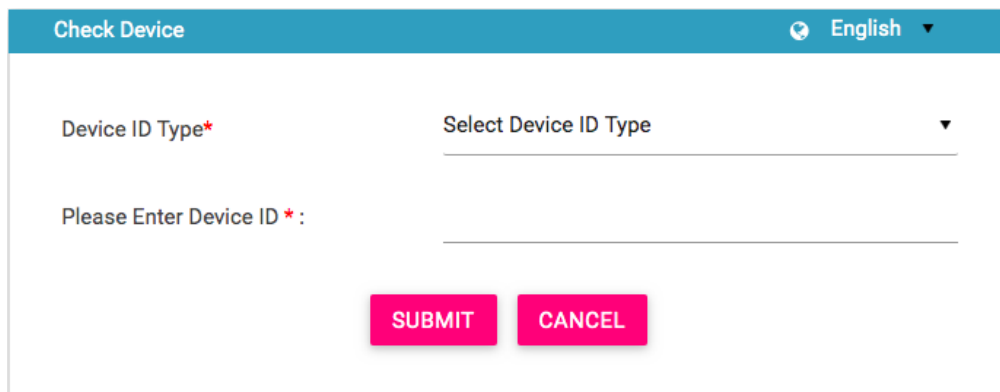

Figure 1: CEIR Home Page

2. Select the feature from the portal.

2.3 Check IMEI

Check IMEI allow end user to check the validity of the device.

To check IMEI, click on the Check IMEI button the DMC portal page. The Check IMEI page appears

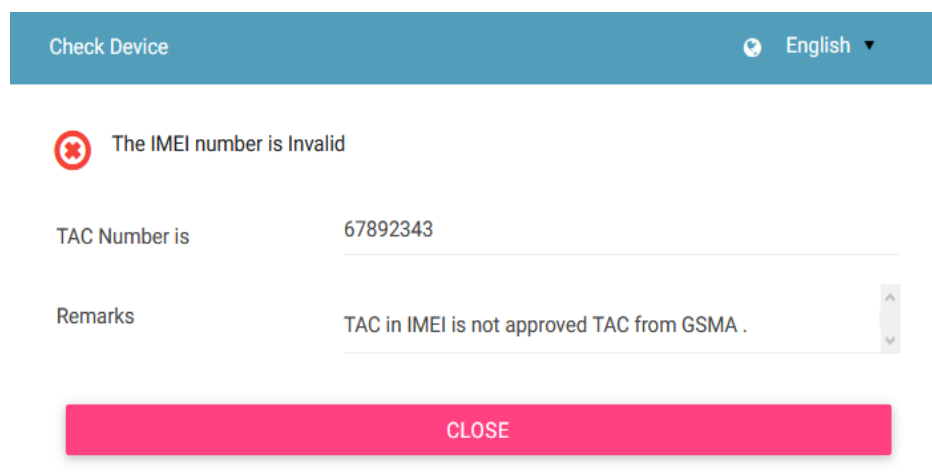

The screenshot shows the 'Check Device' page. At the top, there is a blue header with 'Check Device' on the left and a language dropdown set to 'English' on the right. Below the header, there are two input fields. The first is labeled 'Device ID Type*' and has a dropdown menu currently showing 'Select Device ID Type'. The second is labeled 'Please Enter Device ID *:' and is an empty text box. At the bottom of the form, there are two pink buttons: 'SUBMIT' and 'CANCEL'.

Figure 2: Check IMEI Page

On view of the Check IMEI, following information is displayed

1. Enter the following information:
 - a. **Device ID Type:** Select the Device ID Type.
 - b. **Please enter Device ID:** Enter the value of device ID which be checked.
2. Click **Submit**.

On click on submit, the Check IMEI result page appears

The screenshot shows the 'Check Device' page after a failed submission. The blue header remains at the top. Below it, there is a red circular icon with a white 'X' followed by the text 'The IMEI number is Invalid'. Below this, there are two rows of information. The first row is labeled 'TAC Number is' and shows the value '67892343'. The second row is labeled 'Remarks' and shows the text 'TAC in IMEI is not approved TAC from GSMA .'. At the bottom of the form, there is a single pink button labeled 'CLOSE'.

Figure 3: Check IMEI Not Success Page

In this scenario, the IMEI entered by user is not valid.

In case, when correct IMEI is provided, the following response is shown to the user.

The image shows a 'Check Device' modal window. At the top, it says 'Check Device' and 'English'. Below that, a green checkmark icon is followed by the text 'The IMEI number is is valid'. There are three input fields: 'TAC Number is' with the value '86918703', 'Brand Name' with the value 'OPPO', and 'Model Name' with the value 'CPH1853'. At the bottom, there is a large pink button labeled 'CLOSE'.

Figure 4: Check IMEI Success Page

2.4 Stock Management - Anonymous

In case the distributor/retailer does not want to upload stock as a registered user, they have the option to upload the stock anonymously in grace period.

To upload stock:

1. Select "Upload Stock" from **Stock** menu on the DMC Home page

The image shows an 'Upload Stock' modal window. At the top, it says 'Upload Stock' and 'English'. Below that, there are four input fields: 'Email ID', 'IMEI Quantity *', 'Device Quantity *', and 'Upload File *'. The 'Upload File *' field has a pink button labeled 'SELECT FILE'. Below the input fields, there is a link 'Download Sample Format' and a note 'Required Field are marked with *'. At the bottom, there are two pink buttons labeled 'SUBMIT' and 'CANCEL'.

Figure 5: Stock Page

2. Enter the following information:
 - a. **Email ID:** Enter the email ID. If the Email ID is provided, then the notification would be sent when the stock state change happens
 - b. ***IMEI Quantity:** Enter the total quantity of IMEIs
 - c. ***Device Quantity:** Enter the total quantity of devices.
 - d. ***Upload File:** Enter the IMEI details in a file. This is a **.csv** file with defined column names. You need to enter device information in this file. First, download the file format, if required.
 - e. Click **Download Sample Format**.

	A	B	C	D	E	F	G
1	DeviceType	DeviceIdType	MultipleSIMStatus	S/NofDevice	IMEI	DeviceLaunchdate	DeviceStatus
2							
3							

The file has the following columns:

- ***Device type:** The device can be a handheld phone, mobile phone, feature phone, smart phone, Vehicle, Portable (include PDA), Module, Dongle, WLAN router, modem, connected computer, tablet, e- Book.
 - ***Device ID type:** Type can be IMEI (International Mobile Equipment Identity)
 - ***Multiple SIM Status:** Number of multiple SIMs the device supports (1-4)
 - ***S/N of Device:** Device serial number
 - ***IMEI:** Value of IMEI
 - **Device launch date:** Launch date or manufacture date of the device (in the format, DDMMYYYY).
 - **Device status:** Whether the device is new or used (New/Used)
- f. Enter the required information in each column for each device.

	A	B	C	D	E	F	G
1	DEVICETYPE	DeviceIdType	MultipleSIMStatus	S/NofDevice	IMEI	DeviceLaunchdate	DeviceStatus
2	Handheld	IMEI	4	34562	999339988776608	22-05-2020	New

The following columns are displayed.

Column	Description
Transaction ID	Transaction ID of the stock uploaded by user.
Upload Date	Date when the stock was uploaded by end user.
Email ID	Email ID of the end user.
IMEI Quantity	Denotes the number of IMEI in the file
Device Quantity	Denote the number of devices in the file
View Upload File	File name with an option to download the same.
Stock Status	<p>The uploaded stock goes through different status modes.</p> <ul style="list-style-type: none">• New: When the stock is uploaded, its status is New.• Processing: The stock is processed and validated. The status changes to Processing.• Rejected by System If the stock does not have valid information, an error file is generated. The importer can view the file and fix the errors in the consignment.• Approval Pending by CEIR Admin: The uploaded stock is available for review by the CEIR administrator.• Approved by CEIR Admin: The stock is approved by the CEIR administrator.• Rejected by CEIR Admin: The CEIR administrator reviews the details and rejects the stock if there is a problem.

Column	Description
	<ul style="list-style-type: none">Withdrawn by CEIR Admin: The CEIR administrator can withdraw stock.

2.5 Grievance Management

End user can register complaints or grievances when there is a problem in the portal. For example, there could be situations when a feature is not working like there could be a problem in uploading the stock.

When an end user raises a grievance, the grievance goes through the following stages:

1. A notification is sent to the CEIR administrator. The notification appears on the CEIR administrator portal. A mail is also sent to the registered mail of the CEIR administrator.
2. The CEIR administrator responds to the grievance. A response notification is sent to on the end user's registered mail ID.
3. Steps 1 to 2 are repeated until the grievance is closed. The administrator closes the grievance.

There are situations when the grievance is automatically closed. A grievance is automatically closed when the status of the grievance changes to **Pending with User**, but there is no response from the importer for a specified period.

To raise a grievance

1. Select Report Grievance from **Register Grievance menu** in the DMC portal.

2.6 Registering Devices

The custom officials use the CEIR application to register devices that are brought into Cambodia by foreigners/local Cambodian users. The registered device is used to build a device database. The end user has to pay taxes on the devices as per the applicable CEIR policy

To register a device:

1. The user needs to click “**Register Device**” in the DMC portal page.

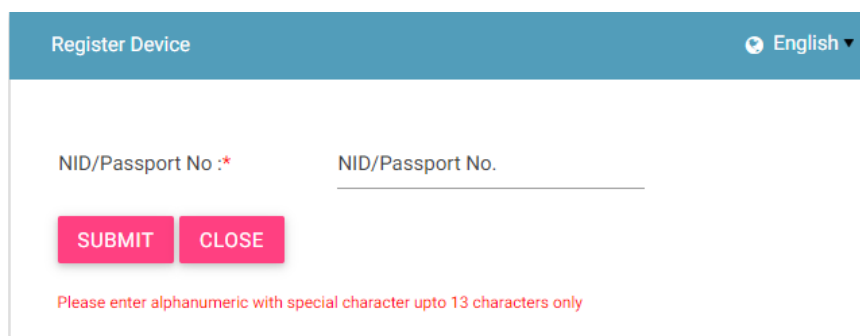

Figure 11: Register Device

2. Enter the NID/ passport number.
3. Click **Submit**.

If there are devices already registered with the passport number entered, the following page appears.

2.7 Update Visa

The foreigner user can upload the visa details in case the foreigner duration is extended in the Cambodia.

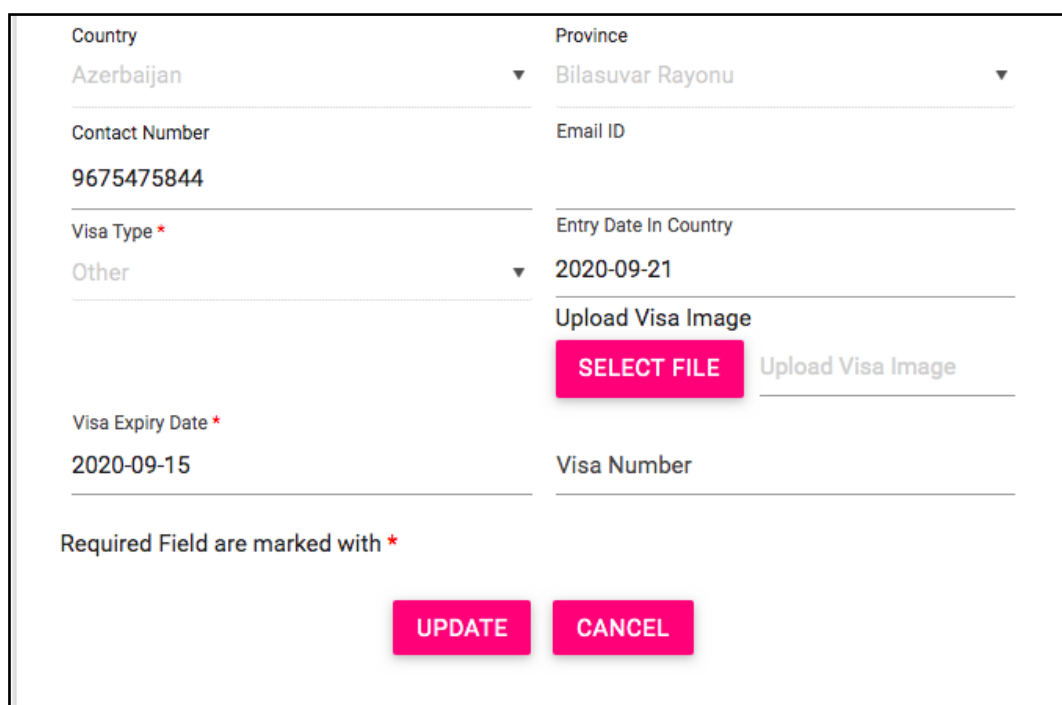

To update the visa details, click “Update Visa” in the DMC portal page.

The form titled "Update Visa Validity" has a language dropdown set to "English". It contains a text input field for "Passport Number" with a red asterisk indicating it is required. To the right of the input field are two buttons: "SUBMIT" and "CLOSE".

Figure 17: Update Visa - Search

Once when the end user enters the passport number, and click on **Submit** button, the following page appears in case the passport number is registered.

The form displays details for a registered passport number. It is organized into two columns. The left column contains: "Country" (Azerbaijan), "Contact Number" (9675475844), "Visa Type" (Other), and "Visa Expiry Date" (2020-09-15). The right column contains: "Province" (Bilasuar Rayonu), "Email ID" (empty), "Entry Date In Country" (2020-09-21), "Upload Visa Image" section with a "SELECT FILE" button and a disabled "Upload Visa Image" button, and "Visa Number" (empty). A note at the bottom states "Required Field are marked with *". At the bottom center are two buttons: "UPDATE" and "CANCEL".

Figure 18: Update Visa

User can upload the visa details and click on the **Update** button

In case the user details are not found, then following page appears
